Transit Needs Assessment – Public Survey

The Town of Gander is working with Colliers Project Leaders on a Transit Needs Assessment to better understand Gander and area transportation needs.

Take a few minutes to share your transportation habits, needs, and challenges. Your input will help guide how we address growing transit demand.

Survey open until October 10, 2025

IN CASE YOU MISSED IT

New remembrance crosswalk in Gander

Representatives from Council, the Gander Royal Canadian Legion, and 9 Wing gathered to unveil Gander's new Remembrance Crosswalk, located on Lindbergh Road near Gander Heritage Memorial Park.

This commemorative crosswalk, featuring red and white with the silhouette of a soldier, honours Canada's veterans and Gander's proud military history. Purposefully positioned to lead directly into Gander Heritage Memorial Park, it is a lasting tribute within the community.

Ballfield Clubhouse Near Completion

Once open, it will give players, families, and fans a more comfortable space to gather.

At the same time, the project is being used to try out a different foundation style, a frost-protected slab, so the Town can learn from experience while improving community facilities.

By using this method in a Town project, we're putting into practice the same approaches we support in housing, and hopefully opening doors to more practical housing solutions in the future.

Happy Onam!

Earlier this month, Mayor Farwell joined Gander's Indian community in celebrating Onam with traditional food, music, and cultural performances.

Diversity enriches our town and it's a key part of what makes our town so vibrant.
