## **OC25-05 GANDER WTP COMPRESSOR REPLACEMENT – Addendum No. 2 – January 13, 2026**

The following changes or modifications shall be made to the Tender Documents:

Q: Does the MCC need to be modified and recertified as indicated on E04 after the Addendum 1 changes?

A: No, the MCC does not need to be modified and recertified. Existing feeds to be repurposed as indicated on the revised Addendum 1 E02 drawing. Any changes to the scope of work which require the contractor to engage the MCC manufacturer to modify and recertify the MCC will be addressed as a change order.
